Dear bro: Garrison—

Herewith, I do myself the pleasure  
of asking permission to introduce to your personal friend-  
ship, & through your medium, to any other like minded friends  
in your circle. The bearer, Mr De B. Bassett, a familiar, long time  
Faithful Abolition Friend, much esteemed by my late dear bro  
- found himself - & from the commencement of my acquaintance  
with this city, associated with Mr P. in all his efforts to pro-  
mote the interests of our oppressed & despised people. - Mr  
B. is now engaged in a tour through a portion of your worklike  
territory to aid the progress of our Glorious Cause, & to endeavour  
to promote the objects I have entertained in preparing a memoir  
of Mr Paul. Conjointly with another Philanthropic Gentleman  
of this city, are engaged in an effort <sup>to endeavour</sup> to get an Edition of my  
memoir, through the Press, by circulating a Subscription List  
<sup>in aid of the object.</sup> <sup>more particularly</sup>  
Mr B. will have pleasure in explaining <sup>the whole matter</sup>  
- to & I am sure of securing through the agency of Mr B. The influ-  
- ence of bro: G. & friends to subserve this end. — It is now nearly  
a year since I completed the preparation of the manuscript,  
in the intermeddable period I have been alternately agitated  
by hope & despair as to the prospects of getting the memoir into  
circulation. In the hope that this hasty line may meet you  
& your beloved family in the enjoyment of health & comfort &  
yourself "strong in the Lord & the Power of his might" - well armed  
& vigorous in soul to pursue the conflicts of the Battle field  
to certain Victory & Triumph! - with affects love & best desires for the  
every best Interests of you & yours - believe me your commiserating Admin-  
- istrator & sufferer in our glorious but  
much distressed Cause Anne Paul
